Disaster Masters (R) is a Federal registered trademark for a New York company. It is not a good idea to do business with any company who wilfully steals a Trademark and not suffer consequences. The Disaster Master company in the state of NC is in Federal court and should not be trusted in business. They have EEOC fines amongs other issues. If you get a claim from them it is likely to be as crooked as their other behaviours.

That's interesting and never knew until your post. Thanks for sharing. Although have never had a B2B relationship with them, we have shared referrals. Thanks again.
